Please contact in all data protection related matters: tietosuoja@turkuamk.fi

The messages sent to this address are processed by the Data Protection Officer (DPO) and a data protection specialist working with them and as their substitute.

More information on the data protection at Turku UAS:

<https://www.tuas.fi/en/information/>

Purpose of processing the personal data

We will process the personal data related to the operations of Taikusydän - Arts & Health Coordination Centre, e.g. for sending a newsletter, for maintaining the research network and the expert database and related to enquiry forms and event participant registrations.

More information on how data is collected and handled on the Taikusydän website: <https://www.tuas.fi/en/information/privacy-policy-wp-environment/>.

Legal basis for processing personal data

The legal basis is the consent of the data subject.

Processed categories and storage times of personal data

The categories of processed personal data are

Newsletter:

- e-mail address

Research network and expert database:

- name
- e-mail address
- phone number
- locality
- organization
- degree/education
- profession/position
- research topics and research interests
- fields of expertise

Events and other enquiry forms:

- name
-

- e-mail address
- organization
- profession/title

The data subject may unsubscribe from the newsletter mailing list and their email address will be removed from the list.

The personal data will be stored for the duration of the Taikusydän project, unless the data subject requests the deletion of their data.

Regular information sources

The personal data have been obtained from the data subject. Data subjects can submit information by

- e-mail
- filling in an electronic form, such as the Webropol enquiry form.

Receivers or receiver groups of personal data

The personal data is received by the people working on the Taikusydän project at Turku UAS.

Essential information regarding transfer of data to third countries (outside the EU or EEA countries)

The data is not transferred to third countries.

Principles of data protection

The data is accessed only by people whose tasks require access to the data. Access to the service is limited with user IDs and user rights.

Data subjects' rights

According to the General Data Protection Regulation, the data subject has the right:

- to receive information on the processing of their personal data, unless otherwise regulated by the law
-

-
- to request for access to their personal data and rectification regarding incorrect or insufficient information
 - to erase their data (not applied, if the basis for processing is compliance with a legal obligation or performance of a task carried out in the public interest)
 - to restrict the processing of their data
 - to object to the processing of their data, if the basis for processing is general or legitimate interest
 - to request the transfer of data they have submitted themselves from one controller to another, if the basis for processing is consent or agreement
 - withdraw the consent they have given
 - notification obligation of the controller on the rectification/erasure/restricting of processing of personal data
 - not to be subject to automated decision-making (the data subject may allow automated decision-making by their consent)

Data subjects may exercise their rights by contacting the contact person mentioned in the privacy notice or the Data Protection Officer. More information on data subjects' rights is provided by the contact person and/or Data Protection Officer.

If processing the data does not require identifying the data subject without additional information or the controller cannot recognize the data subject, the right to inspection, rectification, data erasure, restriction of processing, obligation to report and transmittal is not applied.

You have the right to file a complaint with the Data Protection Ombudsman's office, if you consider that valid data protection legislation has been breached in processing your personal data. The contact details of the DPO can be found in the beginning of the privacy notice. All requests are processed on a case-by-case basis.
